

The Pyrenean Sheepdog Club of Great Britain -

**would like to personally invite you to take part in our
2021 Breed Health Survey.**

This Health Survey is intended to gain an overall view of the general health of the breed in this country. To gather facts, but also anecdotal evidence of areas that may need an eye on into the future.

It is primarily aimed at the population of Pyrenean Sheepdogs in the UK

However – For our Friends from Abroad -

Completed Health Survey forms are welcome from overseas owners.
Please make sure you clearly indicate which Country you live in...

*Please be assured that all information **will be kept confidential**, NO individuals details will be published, only overall figures*

****** If you feel you would like to take part but would be happier to remain anonymous -
Leave out the ****** asterisked questions, fill in the health details and then post your completed Survey to the address on the bottom of the Health Survey Form.

Even if your dog has **never** had health problems we would like you to fill in a form -

Information on healthy dogs is very important too.

It helps to put the data gathered into proper perspective.

We would also like to hear about dogs that have died in the last few years.

Please fill in a form for each dog.

It will take an average of 10 to 12 minutes to complete the form

This is the greatest contribution you can make to the health and welfare of the breed.

Information gathered today helps to give us ALL the tools to make better decisions in the future.

**Return your completed survey and have the chance to win a prize
Among the prizes offered is a PSD Goodie Bag !**

**- if you have filled in your dogs details - that is -
Your dogs name, details of any Health Test Results
& Your Name and Contact details -**

You will be put into the PSD Health Survey Draw !! – Good Luck !!!

Exact draw dates & times to be posted later in the year

The Survey is expected to run for approx six months and the Health Survey Results will be available when the data is fully recorded and analysis is completed.

The 2021 Health Survey Form will be available to download on the Clubs Website.
