Message from the "Editor"

Unfortunately Vikki Lucas our Newsletter Editor has had an accident whilst horse riding and as a result production of the Newsletter has been understandably delayed. We all wish her a speedy recovery.

I was volunteered to step into the breech. Please accept my sincere apologies for the limited content, the delay and any possible omissions. It was felt important to produce a newsletter as soon as possible. It is quite some time since I have produced one of these newsletters and it is clear that I am somewhat rusty.

Please send any future articles to Vikki as usual.

Chairperson's Notes Spring 2026

Having gone down with a virus and not feeling my best, the AGM in February was ably chaired by our Vice-Chairman at the time Carl Stretton. This would be his last contribution to the running of the club as Carl was stepping away from the committee at the 2026 AGM. He and Teresa have been valuable members of the club over a number of years and both will be very greatly missed. We wish them well on their new adventures.

Crufts was next, and Steve Bennett a longtime supporter of Import and Rare Breeds, including the Pyrenean Sheepdog was given the honour of the appointment to judge the PSD Long Haired at Crufts this year.

He put forward Eion & Shane Flints IR CH Sandytrail Sauterelle as Best of Breed.

Well done to Vikki Lucas who was given Reserve Best Dog with Ghillie and Alan Bray with Bobbie who was 1st in the Post Graduate Bitch class. We had two overseas competitors, from France M Uhrig with FR CH Tourbe de la Fontaine des Schlitteurs who was Reserve Best Bitch, and Mrs A Michel with Swizz CH Wanja de la Petite Fadette who was 2nd Open Dog.

For the Discover Dogs stand this year unfortunately we were only able to cover the Thursday. We are getting fewer in number, the dogs are getting older and there are just not enough of us to do it all. A big thank you to Jonathan who transported the stand equipment to Crufts on the Thursday morning and assisted in helping set up, and to Alan for helping to dismantle the stand at the end of the day, and also pull the trolley with everything on it back to the car park for us. We do hope we will be able to cover more days next year, but we really need more help. If you like meeting people and your dog would cope with the attention it will receive from the passing public, please do let us know if you can help.

The Club has unexpectedly been given the chance to have some assistance in organising an Online Breed Appreciation Day – BAD, and the Multiple Choice Exam - MCE which is needed for the Royal Kennel Club Judges Education Programme. Although it meant a short lead in time to the event the committee felt that it was an opportunity that the Club should take. It is

scheduled for the evening of Monday 20th April and may well have taken place by the time this Newsletter reaches you. We apologise if this is a disappointment to you, that you find out about it after the event, but the committee also felt that we shall learn from the experience of the online event this time, and hopefully we will be able to organise more online events in the future. It is advised to keep an eye on the PSD Clubs Facebook page to watch out for posts of upcoming events.

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

Mark - Saturday 20th June in your Diaries, as this is the day of the Club Open Show & Fun Day being held again at the Greetham Community Centre. The Breed Open Show is in the morning, and then we all gather together for a 'Bring and Share' Lunch which is a great opportunity to meet our fellow PSD owners, catch up on what activities everyone has been doing with their dogs, and having a good chin wag!! This is followed by the Fun Day activities in the afternoon. The Open Show is run under the Royal Kennel Club Regulations and paid entries have to be in advance. You can make entries on the 'Have a Dog Day' website which can be found on an internet search. https://www.haveadogday.co.uk

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

However the 'Fun' part of our activities has always been FREE to Club Members and is the Club's way of saying 'Thank you for supporting us by being members of our Club'.

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

Vicky Wilford Chairperson
~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

Bits and pieces from the Secretary

Discover Dogs

Unfortunately, we were only able to man the stand at Discover Dogs at Crufts for Pastoral Day this year.

This was mainly due to the fact that we didn't have enough volunteers, but also because many of the dogs who have regularly been on the stand in the past are now too old. Hopefully next year we will be able to cover all four days.

Thanks must go to Jonathan Pattison who very kindly brought all the equipment for the stand and helped me to set it up. Thanks also go to Steph Grundy and Pastou and Margaret Challans who helped out on the stand.

Once the showing was over, Vicky Wilford with Iffa, Vikki Lucas with Ghillie, Alan Bray with Bonnie and Pauline McGeoch with Murdo came to boost the numbers.

Thanks also to Carolyn Bray who took some super photos of the showing and the breed stand.

Club Day

Our Club Day this year will be held on **20th June** at Greetham Community Centre LE15 7NG.

The breed show will take place in the morning, followed by a bring and share lunch with fun classes and games in the afternoon. The day will end with tea and cakes.

We hope to see as many members as possible at what will be an enjoyable day.

Club Calendar

The 2027 calendar will be on sale at the Club Day and also available by post. Keep an eye open on the clubs Facebook page and on the website for further details. It's not too late to send photos (landscape format) to Alan at bray_1@hotmail .co.uk.

Innate Health Assessment -- IHA

You may have seen reports in the news and posts on social media about the release of the 'Innate Health Assessment' which covers dog conformation and breeding practices. Some of the headlines have been over dramatic including "67 Dog Breeds to be banned" which when you first see it, it seems a bit shocking. There was input into the IHA from many agencies including the Royal Kennel Club, British Small Veterinary Association, Royal College of Veterinary Surgeons, RSPCA, Blue Cross, Peta to name a few. Its main concern is the conformation and physical problems that some breeds can suffer from. The IHA is proposed to be on a 'Voluntary Basis'.

APGAW -- The All-Party Parliamentary Group for Animal Welfare
Influencing Change through Politics - website https://apgaw.org/innate-health
This website gives information on "The IHA Breeding Tool"
If you scroll down to NEWS from APGAW you can see an infographic 10 point check list.

This illustrates what they think needs to be change. It includes at - - -
no.1 – No Merle Colour and
no.7 -- Tail Long Enough to Wag - which indicates they mean No Tail-less dogs.

The Pyrenean Sheepdog of both varieties does have the coat colour Merle, and individuals can be born with or without a tail, in any of the breed colours. These traits have long been acknowledged in the history of the breed and both occur naturally. To our knowledge, the Pyrenean Sheepdog has not been known to suffer the extremes illustrated in the IHA. As a working breed it would not have been much use to the shepherd if it had not been fit for its function.

On the website Peta.org.uk/dog-breeds-banned-britain you can find the list of the 67 Dog Breeds. At no. 51 under "Pyr Shep" (which is the shortened version of the American name - Pyrenean Shepherd) you will find the PSD, but we wonder why it's listed under an American name.

IHA and Peta do not seem to have really taken into account what are natural and normal traits in a breed, and most importantly whether those particular traits are known to cause specific widespread problems within that breed. The IHA says it is "Not a Blunt Tool" - but it is tending to feel like it.

As regards to having a tail long enough to wag, there are just so many aspects of a dog's body language that does not include their tail. A tail-less dog, to all intents and purposes does seem to express the natural emotions they are feeling at the time. It must do – why? = if a Tail-less dog can meet and mix with other dogs who do have tails and get on together fine, which they do, they must all understand each other, so therefore they are expressing emotions they are feeling at the time.

While we cannot disagree that some of the concerns raised in the IHA Publication are valid, the Pyrenean Sheepdog Committee has written to the Royal Kennel Club to express some unease regarding the Innate Health Assessment, and our concerns about the broad brush that the IHA and Peta appear to be using with the inclusion of several breeds that do not seem to have any real specific chronic / long term health problems associated with that particular breed.

Vicky Wilford Chairperson

Merle and Tbox gene - a simple explanation

Merle

The Royal Kennel club does not register Merle to Merle matings from any breed.

Merle to Merle matings have the potential to result in a 25% risk of producing double merle puppies. Double Merles (M M) puppies can be born with severe health issues. They are usually born with a predominately white coat and can have congenital deafness, abnormally small eyes, blindness, and skin issues.

It is considered unethical to mate Merle to Merle due to the high risk of producing puppies with life long medical issues.

The T-box gene

The Pyrenean Sheepdog carries the T-box gene (TBXT). It is inherited as an autosomal dominant trait, which means that only one copy of the gene is needed for a short tail. The expression of the gene in the individual puppy can vary from a short half tail to no visible tail at all.

A individual with two copies (BT/BT) usually die in embryonic development in the uterus, and it can lead to smaller litters. It is not recommended and is considered unethical to mate two Tail-less individuals.

Minutes of the AGM held via Zoom 22/2/26

The Vice chair opened the meeting at 11.03

ATTENDEES:-Carl & Teresa Stretton, Liz & Chris Lewis, Vikki Lucas, James Gosnold, Kim Randall, Penny Varnes, Alan Bray, Julie Farrar, Margaret Challans, Eion Flint & Shaun Connolley

APOLOGIES:-Vicky Wilford, John Farrar, Joanna Dobson & Shane Flint

MINUTES OF THE 2025 AGM:- The minutes were agreed. Proposed by Vikki Lucas & seconded by Penny Varnes.

MATTERS ARISING:-There were no matters arising.

CHAIRMAN'S REPORT:-The Vice chair read the Chairman's report to the meeting.

(The report will be reproduced in the Spring edition of the Club's Newsletter)

TREASURER'S REPORT:- James read the report to the meeting. (The full report, plus the accounts will be published in the Spring edition of the Club's Newsletter).

In 2025 there was a total of 71 club members from 51 households. This was 3 fewer memberships from the previous year so membership income has decreased.

The club welcomed 4 new members. Of these four, two had previously been members, one joined as a result of agility workshops and one was a new owner.

Email and Facebook reminders have been sent and renewals continue to come in.

Income came from calendars and merchandise. Agility workshops have become increasingly expensive to run so no profit was generated. The two stands at Discover Dogs brought in a similar income to last year. The Agria Golden Award prize of £250 was won by the club, thus improving donations. The raffle at the club day generated £131.

The Rescue Fund received donations throughout the year and now stands at £1682 an increase of £93 from last year. The Rescue fund is in a separate account which generates a small amount of interest.

Merchandise (pens and trolley coins) came in at a considerable cost. We had closing stock value of £581.11. A proposed BAD day was cancelled as it would have been a drain on the Club's finances. Newsletter and postage costs decreased from last year.

The Club's bank balance has made a net surplus of £5,75.24 and the main account stands at £2,668.20.

James thanked Julie Magson from Jaze Accountancy Ltd for her prompt report of the accounts and recommended that we stay with her for next year.

Eion Flint wondered why the Newsletter costs had decreased. Vikki Lucas explained that she had thought that the Newsletter had to have 36 pages but in fact the number of pages needs to be in multiples of four. Printing costs decrease if there are fewer pages. Kim Randall now collects the Newsletters from the printer and posts them out instead of them being posted to Vikki for her to send out which cuts out that postage.

ELECT CLUB'S AUDITOR FOR 2026:-Chris Lewis said that Julie Magson seemed very thorough and Liz Lewis said that she is very efficient. Julie was proposed by Chris Lewis and seconded by Liz Lewis.

ANNOUNCE THE NAMES OF OFFICERS & COMMITTEE FOR 2026;-the Officers are both willing to stand again. James Gosnold (Treasurer) was proposed by Teresa Stretton & seconded by Vikki Lucas. Liz Lewis (Secretary) was proposed by Kim Randall & seconded by Julie Farrar.

Vicky Wilford & Vikki Lucas were eligible to stand again for the committee without nomination. Vicky Wilford was proposed by Penny Varnes & seconded by James Gosnold. Vikki Lucas was proposed by Chris Lewis & seconded by Julie Farrar.

Liz Lewis said that we are now three committee members down. Carl Stretton said we need members to join the committee.

ACTIVITY AWARDS:-AGILITY Durendel Fidele Trophy

Margaret Ehrenburg with Shiningtor Unique (Froglet) 161 points

Froglet has also achieved Grade 4

SHOWING (LONG HAIRED) Kelltara Plate

1st Eion & Shane Flint with Sandytrail Sauterelle (Tiggi) 363 points

2nd Eion & Shane Flint with Sandytrail Sorceror (Marley) 203 points

3rd Eion & Shane Flint with Sandytrail Magie Noire (Madge) 140 points

4th Alan Bray with Toyah de la Mesta Pastores (Bobbie) 64 points

SHOWING (SMOOTH FACED)

1st Vicky Wilford with Iffa Noire des Forges de Thor at Cavronscourt (Iffa) 51 points

2nd Vicky Wilford with Cavronscourt Midas Touch (Midas) 37 points

AOB

The Vice chair said that he would not accept any AOB unless anyone had something pressing. Nothing was put forward.

The Vice chair closed the meeting at 11.28

2026 AGM Chairmans Report

Looking back over the last year –

After the 2025 AGM, the big event for the Club was the Showing classes at Crufts and the Discover Dogs Stand.

At Crufts it was good to see that the PSD long haired Show Classes had an overseas competitor from France, Elodi Bignon with her two lovely fawn dogs Orthez and Sorelh. It was also a pleasure to meet the Judge, Mr S Delmar from Ireland and he awarded the Best of Breed to Eion & Shane Flints Sandytrail Sauterelle. Well done to everyone who supported the breed classes.

The Discover Dogs Stand was again expertly organised by Carl Stretton along with Teresa Stretton, and the stand was manned for all four days. Teresa also did the Club proud as she managed to have a chat with the Agria Insurance Team at Crufts who were organising a prize of £250 to be given to a Breed Club, she worked some magic and the PSD Club of GB was awarded the prize.! A big 'Thank you' to everyone who gave their time and energy, as a numerically small breed I think we can be reasonably proud that we managed to cover every day of the Crufts 2025 Event.

The Club Show & Fun Day in July was a big success and everyone felt the new venue of Greetham Community Centre was ideal. We had a lovely Breed Judge in Toni Jackson who understood the breed well. Vikki Lucas organised a fun Hoopers course which was enjoyed by many, and the afternoon games were great fun. The Rosettes for the 2025 Show had a tail of Purple which is the colour of the Pancreatic Cancer Charity, and we sent a donation from the money raised on the day in memory of Pauline Keeble who had been an active member of the club and is greatly missed. In September in the Pyrenean National Park, the RACP held their Annual Nationale d'Elevage, but it was also a special year as the Mondial (World) Competition for the breeds of the Pyrenees was also held on the same week-end. Several members of the club attended and had success with their dogs, well done to you, it is so special to gain recognition in such prestigious events. The French sometimes have themes for the Shows, and for this special week-end it was "Hippies" – hope you also enjoyed taking part in the "Hippies" week-end !!

The Breed Appreciation Day sadly had to be postponed. Unfortunately - although there was a lot of interest in the Day, especially as our speaker for the day was to be Norbert Gainche, the President of the RACP – a long time breeder of both varieties of the PSD and an experienced judge, - but the facts were, there was just not enough firm bookings to continue. The combined expenses of the day would have drained the Clubs accounts. We hope we will be able to have a BAD Day before too long in the future, and that if we

can, we hope we may be able to get Norbert to assist us and pass on some of his vast experience of the breed.

At this 2026 AGM- we have a very valued member of the Committee stepping down. Carl Stretton ably assisted by Teresa have been organising the Discover Dogs, putting up & taking down and manning the stand with their Smooth Faced PSD's, and organising and assisting on the Show & Fun Day, and you will be very much missed. A heartfelt 'Thank you' to you both, and 'Good Luck' with your new adventure.

The committee continues to work hard. The Royal Kennel Club is continuing to change and update the way it works, there is a lot more work involved than there used to be and so I give my thanks to all the committee members for their contribution to keeping the club going.

Some lovely news on the puppy front at the end of last year the birth of a litter of long haired puppies, and hopefully another one very soon. Fingers crossed for everything to go smoothly.

2026 will bring it's challenges. As the number of PSD in the UK drops as the dogs get older, the number of members and the number of committee members reduces. People have to earn a living and of course that is their priority. The Covid Pandemic and the Economic changes of recent years has meant that dog ownership has changed and the breeds of dogs that people choose has changed. The committee give their time, but we can't do everything. So if you feel you have a skill that may benefit the club we would love to hear from you.

At Crufts the 2026 Long Haired classes are to be judged by Mr Steve Bennett who has been a supporter of Rarer Breeds in the UK and has had a long time interest in the Pyrenean Sheepdog.

For Discover Dogs at Crufts this year, puppy duties and other circumstances mean there are just not anywhere near enough people or dogs to man the stand for all four days, so it will be manned by our volunteers on the Thursday 5th March only.

And finally the committee are busy making plans for and looking forward to the 2026 Club Open Show & Fun Day on the 20th June at the Greetham Community Centre, and we look forward to seeing you there.

Suggestions for further events are welcome, and the Club can support you to get one organised. Keep an eye on the Club Facebook page as events will be listed there.
In the mean time enjoy your dogs – the time passes more quickly than think.

Vicky Wilford

Treasurers and Membership Report for 2025

Memberships

In 2025 there was a total of 71 club members or 51 households. This was a decrease by 3 memberships from the previous year and consequently membership income decreased.

The club welcomed 4 new members in 2025. Of those four, two had previously been a member of the club, one joined as a result of the agility workshops organised by Vikki and one member was a new owner.

An email and Facebook reminder has been sent out to members regarding renewals and they continue to come in as we speak.

Treasurers report

Income came in from Calendars and Merchandise - Alan Bray producing an excellent Calendar. The majority were sold in the UK and a few overseas. Vikki's agility workshops have become increasingly more expensive to run with increased arena hire and teaching costs so no profit came in this year. The Club also attended Crufts and manned two stands for Discover Dogs. This brought in similar income to last year and a slight increase in expenses. The Agria Golden Award prize was won by the club at Crufts worth £250 so donations have much improved to last year. The raffle raised £131 at the very enjoyable Club Show, a contribution towards the cost of the show. A warm sunny day with activities for the dogs and a large buffet brought by the members, great to see so many of you. We'll be doing something similar this year at the same venue.

The PSD Rescue Fund received donations throughout the year and continues to gradually increase, now standing at £1682 an increase of £93 from last year. The Rescue and Welfare Fund has been allocated into a different account receiving a small amount of interest and keeping it fully separate though accessible.

In terms of costs, Merchandise came in at considerable cost with the purchasing of pens and trolley coins. Closing stock of (£581.11) represents the value of merchandise in stock. A BAD Day was due to be held this year however due to poor expected attendance it was cancelled. Newsletter and postage costs decreased from last year.

The club's bank balance has made a net surplus of £575.24 and the main operating account stands at £2,668.20 at the end of 2025.

I thank Julie Magson from Jaze Accountancy Ltd for her prompt report of our accounts and good communication and recommend we stay with her for next year.

I hope this report has given members an understanding of the Club's financial position.

Accountants' report on the unaudited accounts

These accounts, for the year ended 31 December 2025, comprise of the Income and Expenditure Account, Balance Sheet and related notes. In accordance with your instructions, we have compiled these unaudited accounts from the accounting records and information and explanations supplied to us.

Total income is higher than last year as included in donations is a prize of £250 for the Agria Golden Award which the Club entered into at Crufts.
Membership payments are down £84.

A estimated cost of hosting the website plus the domain name has been paid for by a member, the value has also been included as a donation.
The main increase in costs was for merchandise and calendars.
